

PHILIP MORRIS
U.S.A.
INTER-OFFICE CORRESPONDENCE
RICHMOND, VIRGINIA

To: . Dr. H. Wakeham

Date: July 21, 1972

From: . William B Cridlin, Jr.

Subject: . Foreign Filing - WATER METHOD FOR
EXPANDING TOBACCO STEMS

I have been advised by Dr. Seligman that Mr. Goldsmith does not want us to foreign file this patent application. In many foreign countries, the subject matter of this patent application would be laid open to the public before we could be assured that a patent could be obtained. This could possibly result in our disclosure of valuable technology without adequate compensation.
